SALE DATES NOVEMBER 10-11 RETURN LIMIT, NOV. 12 ACCOUNT HOME COMING DAY UNIVERSITY OF NEVADA TONOPAH AND GOLDFIELD R. R. COMPANY

(Continued from Page One)

H D KING, the original socretary ish production of gold to such an Phila wouldn't quivals of H G MAAHON, Well-known June This has given the British empire and 60c, at all mag as Fort exhibere

is wip and daughter was over from "During the Wir the gold mining JAMES E. BATEMAN, profiler of ity department as a war essential delivered at your door. late Bryden M. Bareman left this industry because it was the basis of chair for his home in Burte after to large a volume of credit which

In August, 1918 the American cole conterence met in Reno. Nev., to die of the reafte department of this the actions crisis confronting Powers and Goldfield rational to gold mining industry Many for a bonus on newly produced gold ill order to stimulate new poudnetic which was so sorely needed. Our to the second sec this amiference and an excitive -UNDERWORLD MELODRAM? Committee was appointed, headed by hames whose pottrayas of the and some to Washington to urus

as the king of the underworld, at reasury, who was hittorly opposed nurses different sort of a role in to this relief appointed the special the partiago of the Night Rose, which gold committee to investigate being be shown at the Butler reday. British in the gold mining industry is an increased story by heroy that to submit suggestions relating unted movelet and the cas is methods of relief. He appointed hales such players as Calien Lan. The med on this committee who were is the course for Berry Shape Many rates proved to be hostil to this ve-Lates Power John Bowers, Dick "that" His appointment for a money and Atliton Race. This is of the special gold committee on the New Aven hours on comours but 2000 fortune for the gold mining he is a selfone will be left for the Edustry and for Nevada in particular - program. Tomorrow Charles idvantageous position to plead the in Class Oil and Water," and cause for which the American gold

"I will now state what happened to this fine opportunity which Ne yada and gained up to this time

We cannot find words to express . The special gold committee, up. or gratitude to the many friends poined by the secretary of the treasthe generous acts of kindness shown member, made its report to the sec to thank the Kaights of Pythias, Hearings Before the Committee on

"This rep is contained ingenious Mrs. B. M. Bateman and family; but misceading arguments against the one of which was that commodity prices, meaning wages and produc-Friday evening, November 3, prewar levels, when as a matter of Friday evening. November 3, prewar levels, when as a matter of at 8 00 o'clock. Subject: fact show increased rapidly to far Legend of the Third Dogree, bigher levels during 1919 and 1920. Cards and refreshments. Visiting increasing further the economic pres sure on the gold producing industry, and resulting in heavier declines in production in those years, the production in 1920 being less than half 17, 7000 17, 2500 18, 5000 17, 1000 that of 1918, which was \$101,035,000. 1130 18, 200 17; 3000 1330 17; x000 One of the results of this was the cosing down of many of the best gold names in the country.

"This report of the special gold committee strongly opposed any farm of practical relief although the con-Beacher Extension 2009 06: 4000 ditions warranting that relief had not changed as the production of gold in 1919 had decreased about 40 per cent below that of 1915.

"This report further contained the most damaging statement in the form of a recommendation to the secretary of the treasury that any industry in the United States has ever had to bear, and which dealt a blow to the gold mining industry from which it will take years to recover and which has cost the people of Nevada and the other western states millions upon millions of dol-

"This report further states that this committee has conferred with the committee sent to Washington N B Tarash has sold a two-thirds by the American gold conference interest in the Belmont cafe to under the presidency of our gov-Charles Starr and Joe Ville, All ernor, and has had the benefit of bills up to November 2, 1923 will the report of the committee apbe paid and collected by N. B. Tar-pointed by the secretary of the in-N23t terior to study the gold situation and of the report dated Nov. 29, 1918 of the gold production committee appointed by the commissioners of the British treasury, under the chairmanship of Lord Inchcapa. The report further states that the Bitish treasury committee arrived at he same conclusions, which with the above indicates that this special gold committee and the British committee had been working in close harmony. The report ends by expressing gratification at its final conclusions, and is signed by Albert Strauss Raymond T. Baker, and Governor Emmet D. Boyle and two AGENT others."
